

## **“Space Tribology for New ESA Player States” Course**

**Warsaw, 9<sup>th</sup>- 10<sup>th</sup> April 2019**

Thank you for your interest in our Space Tribology Course, which will be held in Warsaw on 9<sup>th</sup> and 10<sup>th</sup> April 2019. This Space Tribology Course is only open to participants whose organisations are registered or located in one of the ‘new ESA player states’, as defined overleaf. As ESA will fund this course, it will be delivered to the participants free of charge.

By completing this form, and upon its acceptance by ESTL which will be confirmed, you will be registered to attend the course. Please note that attendance on the course is not possible without prior registration.

**Please complete fully the Registration Details below.**

## Information about the Space Tribology Course

- Title: “Space Tribology for New ESA Player States”
- The States invited to participate are; Romania, Poland, Estonia, Hungary, Czech Republic, Luxembourg, Greece, Bulgaria, Croatia, Cyprus, Latvia, Lithuania, Malta, Slovakia and Slovenia
- Dates: 9<sup>th</sup> and 10<sup>th</sup> April 2019.
- Venue: NIMBUS Conference Centre, Aleje Jerozolimskie 98, Warsaw, Poland.
- Presented by Simon Lewis and Michael Buttery from ESTL, the European Space Tribology Laboratory which is part of ESR Technology Ltd.
- The agenda for the Course will be published on our website ([www.esrtechnology.com](http://www.esrtechnology.com)) as well as on the ESA website for the Final Presentations Days.
- The language of the Course will be English.
- Registrations for the course are limited in numbers and will be allocated on a ‘first-come, first-served basis’.
- Your registration will be confirmed after ESTL’s acceptance of this application form.
- Whilst attendance at the course is free of charge, as it is funded by ESA, travel and subsistence costs, etc. are the responsibility of the delegate.
- Successful registration comes with a commitment to attend or substitute a delegate from the same organisation. Any substitution should be confirmed by e-mail at minimum 1 week prior to the Course.
- If you are unable to attend or identify a substitute delegate, please let us know as soon as possible.
- Please notify us if you (or your substitute) has any special dietary requirements or restrictions.
- Please do not make any travel plans until you receive our e-mail confirmation of your registration acceptance.
- In the unlikely even that ESTL has to cancel this Course, we will be under no obligation whatsoever to the registered delegates

Please confirm by ticking this box that ESTL can keep communicating with you about this course and other relevant information concerning space and vacuum tribology.

When complete, please send this form to: [simon.lewis@esrtechnology.com](mailto:simon.lewis@esrtechnology.com) or [simon.griffin@esrtechnology.com](mailto:simon.griffin@esrtechnology.com). You will receive a confirmatory email as soon as your registration application has been successfully processed. Thank you!
